BOARD POLICY ON AGENDA ITEMS

For Information Purposes Only

Board President Announcements

This item on the Board of Commissioners Agenda is reserved for the Board President to make announcements that are required under law for public disclosure, such as announcing executive sessions, or for matters of public notice.

Public Comment

Public Comment on Agenda Items is taken at the beginning of regularly scheduled Public Meetings prior to any votes being cast. When recognized by the presiding Officer, the commenter will have three minutes to comment on agenda items at this first public comment period. All other public comment(s) not specific to an agenda item, if any, are to be made near the end of the public meeting prior to adjournment. Public comment on agenda items at regularly scheduled Board of Commissioner Committee meetings will be after a matter has been moved and seconded and upon call of the Chair for public comment.

Presentations

Should the Board of Commissioners have an issue or entity that requires time to present an issue to the Board, that is more than an oral description relating to an agenda item under consideration, The Board may have that matter listed under Presentations. If nothing is listed under presentations, then there is no business to conduct in that manner.

Consent Agenda

Items of business and matters listed under the Consent Agenda are considered to be routine and non-controversial and will be enacted by one motion and one vote. There will be no separate discussion of these items. If discussion is desired by Board of Commissioner Members, that item is to be identified by the Board member and will be identified and removed from the Consent Agenda, and will be considered separately at the appropriate place on the Agenda.

Unfinished Business

Items for consideration as unfinished business are matters that have been considered for action at a public Board Meeting and have not been tabled to a date certain or voted upon.

New Business

Items for consideration as new business are matters that have been considered for action at the Board Committee Meeting. It is Board practice to not introduce new business at Board Committee Meetings.
