Old Business:

The AAPI program for May 18 is under control. Tom Hasani will moderate and Michele will handle the technical things. We will meet at 6:30 to greet the panelists. Right now, the important thing is to promote.

Shelley is working with Lisa Faden of Upper Dublin on the program on antisemitism. The plan is to have it in person, in Upper Dublin, with a webinar hybrid option. They are aiming for a weeknight in October. Shelley and Lisa will meet with the representative from the ADL in the next month and report back.
