SUMMARY: AS FOLLOWS

General Discussion:

GIS status:

Site updates:

Property owner of 1125 Easton Road will be going before the ZHB seeking a special exception for a dental office.

At the next meeting, the VPRB will review the status of the vacant property list. Also, clarify whether the property of Julius LaRocco Trust, located at 1829 Davisville Road is in compliance.

Public comment:

Lora Lehmann, resident, indicated that she sent a letter to the VPRB; also, she expressed concern about a property located at 1368 Valley Road where the sign is mangled and there is bamboo and weeds all over the property and the mailbox is down; also, about whether the Julius LaRocco Trust property is in compliance. There is a property on the corner of Easton Road and Old Welsh Road that is occupied but has a giant sign on the side of the building, which is an eyesore, and the property should be checked for compliance.

VPRB will review whether the property of Julius LaRocco Trust is in compliance and as well as the property located at the corner of Easton Road and Old Welsh Road.
